This is an expensive 27 page booklet for \$15. The book even states that the information/knowledge found inside is online for free. I would recommend searching online for the 120

This booklet is meant for the Every-Day Black man and woman who do not necessarily want to be a part of any organization or group but would like to have the Knowledge of Self, that is part of the great heritage of the Black man, for themselves and their family and friends. This is for the independent thinker and doer, not the follower.
